#### Haiti Corner

Civil unrest in Haiti is slowly degenerating into a humanitarian crisis and is largely going unreported by the media. Food, water and fuel prices have soared, when available. Mission Aviation Fellowship, the operation flying the small planes we utilize has ceased operations until Spring, subsequently the Christmas mission trip has been cancelled. The Haiti Gospel Fund is exploring the use of direct shipments to Port de Paix again for needed supplies. For now food is available locally, it is just very expensive. Please keep Hope Vision Ministry in your prayers.
