**Attention all Tech People!**

We are looking for faithful people to serve our technical arts teams on a rotational schedule. We are looking for people in visual presentation, video, and audio teams but especially our lighting team. As we upgrade our video screen and projector, we will also be upgrading our lighting system in which we'll need qualified people to program and learn our lighting software.

Please contact Pastor Howie at [hohman@fbcmauldin.org](mailto:hohman@fbcmauldin.org) or call at (269) 998-0454.

This is open for people willing to learn from high school and up.

Sanctuary Renovation News

We're pleased to announce that we are making progress toward the renovation of our sanctuary. A trusted and experienced professional partner has been selected to guide the process with our church teams and meetings are underway. We plan to have something exciting for you all to see in the fall as we seek to modernize, update and make our sanctuary more inviting for members and those who are seeking a meaningful church experience.

We will update you along the way and appreciate your prayers and your contributions to the sanctuary renovation fund of Mauldin First Baptist! **Sanctuary Renovation Team**
