### Attention all Tech People!

We are looking for faithful people to serve our technical arts teams on a rotational schedule. We are looking for people in visual presentation, video, and audio teams but especially our lighting team. As we upgrade our video screen and projector, we will also be upgrading our lighting system in which we'll need qualified people to program and learn our lighting software.

Please contact Pastor Howie at [hohman@fbcmauldin.org](mailto:hohman@fbcmauldin.org) or call at (269) 998-0454. This is open for people willing to learn from high school and up.
