ALPHA MARCH 26 - MAY 21

We're excited to do Alpha again for the adults. The youth have really enjoyed it over the years and it's great seeing the adults enjoying talking about the basics of faith and life while meeting new people and enjoying good food together.

If you don't know what Alpha is, it's all about welcoming friends, coworkers, and neighbors to an evening of food, meeting new people, and discussing topics about faith, life, and meaning. Alpha really is for everyone, whether you're curious about faith, new to it, or grown up in the pew.

So who will you invite that could benefit from an open dialogue about faith and life? How will you be involved? There's several ways we need help including prayer, food, table leaders, and greeters. For info or to help out, go to www.mauldinalpha.com or talk to one of the leaders on Sundays with the red shirts on.
