From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

Laugh & Play With Friends Till It's Late

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwaveable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

Laugh & Play With Friends Till It's Late

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

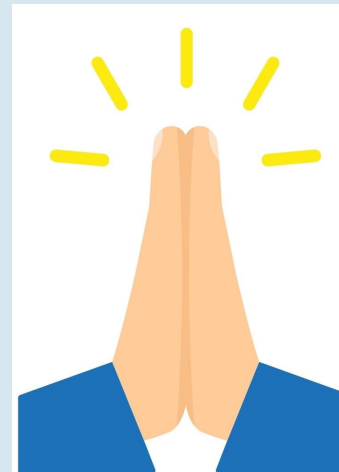

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

Laugh & Play With Friends Till It's Late

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwaveable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwaveable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwaveable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

Led by John Jones

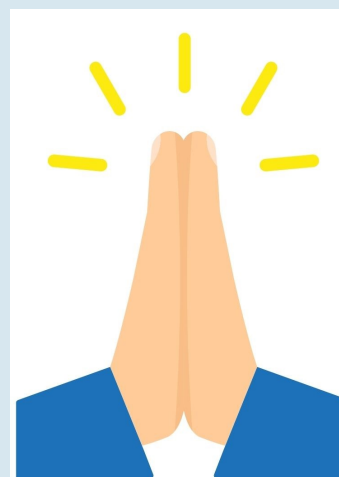

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

From Your Senior Adult Pastor:

What gorgeous weather we've been having lately with February coming to a close and March beginning. I love beautiful Springlike weather in February but for one day I like a cold snap, pouring down, windy day to begin March. I'm not superstitious, but I like the old times prediction about if March comes in like a roar, it'll go out like a lamb.

But, aside from the weather I think we'll be roaring with excitement this March. We start March off with our monthly Sonshine Fellowship, March 7 at 10:30am. It may not be rip-roaring but excitement will be part and parcel of the program, and it won't be boring but you might be **board**. We will be playing some of our favorite games. I might even bring in a new one we learned at our most recent pastoral staff retreat. The game time will last about 45 minutes and then we will enjoy a lunch (soups) prepared by your committee. Please help us (JJ) know how much cornbread and dessert to make by signing up on our bulletin board.

Mentioning signing up, we need y'all to consider bringing a door prize. At our March meeting we will officially start registering for our Fall event, Celebrators Conference in Pigeon Forge, TN. Good News we are confirmed our group will be back at Music Road Inn. Along with everything else the price has gone up. Rates and information are posted on the senior adult board. Remember you are not officially registered until you have paid your \$25 non refundable deposit.

March will put a Spring in your start with Daylight savings time ending March 12, remember to spring your clocks forward.

Shortly on the heels of that event, March 14 South Carolina's Singing Churchmen will be in concert in our sanctuary 6:45pm. Make plans to attend. They always have a great worshipful concert. This is an event our seniors enjoy, but the event is for the entire MFB family, their guests and the community. Advance notice for the April Sonshine fellowship will have Van Broad bringing the program.

WOW - March will be roaring for Senior Adults, hold on to your hats and enjoy.

Have a great day in The Lord,
Bill

The MFB Mission Team would like to share another mission opportunity right here in our own backyard, Upstate Backpack Blessings. The organization is volunteer based, and donation driven.

They provide weekly supplemental bags of food to 395 students in 16 different Greenville County schools throughout the school year. The organization works in concert with school counselors to provide food for children who receive low cost or no cost meals at their schools.

Students take home a bag of food each Friday, so they have food over the weekend.

They do not want any child to be hungry, especially at home. The median cost of a filled bag is approximately \$6.00. Each bag contains 14/15 items:

Ramen Noodles, SpaghettiO's, Ravioli, Vienna Sausage or Beanie Weenies, Pork-n-beans, Macaroni & Cheese microwavable and boxed, Instant Oatmeal & Instant Grits packets, Chewy Granola Bar, Pudding Cup, Applesauce Cup, Peach or Mixed Fruit Cup, Peanut Butter Crackers, Fruit Chews, Microwave Popcorn, Pop Tarts, Goldfish/Cheez-its and Peanut Butter

You can sponsor a child's bag for a week, month or the rest of the school year by making a check payable to Mauldin First Baptist with Upstate Backpack Blessings in the memo section.

MFB Sunday Night Bible Studies
Continue starting 2/26/23 @ 4:30pm

Experiencing God
Led by Amanda Gregory

&
Weird Stuff in the Old Testament
Led by John Jones

From Your Discipleship Pastor:

During the last several weeks we have had two different Sunday Night Family Bible Studies which start at 4:30pm. I've had different people sharing with me how much these studies have meant to them. One of those studies has been led by Amanda Gregory, Experiencing God. That study is continuing until our Easter Break. The other study, Weird Stuff in The New Testament led by John Jones, has also had great responses. Each session is a stand alone so if you have missed a session you will not be lost since you will not need to "catch up". Each session is intriguing and garners interesting discussions. Come and be a part of Sunday Night where MFB is the place to be.

I am so pleased to announce I have enough volunteers (need more) to revise and renew our prayer ministry. We have done fairly well in praying for our own, but God has not called us nor planted us on S Main to be a spiritual "country club", but to minister to the community. That's who and why we are Mauldin First Baptist. MAULDIN is our FIRST mission field and BAPTIST is our identity. Starting March 6, Monday - Wednesday between the hours of 10:00am- 12:00pm, someone will be in the prayer room praying for those on our prayer list and for our homebound. We will be advertising (you can help here) for the community to call in their prayer concerns. Pray about it, ask God if he would have you be part of this vital ministry of prayer and outreach, get in touch with me and let's make it happen.
